KZN FINANCE MEC WELCOMES NEW PARC MEMBERS

KwaZulu-Natal Finance MEC, Mr. Francois Rodgers, is proud to announce the appointment of new Provincial Audit and Risk Committee (PARC) members after contracts for five of the nine members expired in May.

This comes amid a new cabinet resolution that now compels Members of the Provincial Executive Committee (MECs) and the Premier to also form part of certain PARC meetings.

The PARC is the shared audit and risk committee for the provincial departments and is further sub-divided into three Cluster Audit & Risk Committees (CARCs) that provide oversight of key audit and risk functions to provincial government departments.

The PARC directs and guides the provincial internal audit unit which in turn aims to ensure that departments offer public services in an efficient and cost-effective manner.

MEC Rodgers said:

“The new PARC members were appointed following a transparent and fair process. They come from various parts of the country and were solely appointed on merit. I am proud to have been part of this process which brings us closer to the establishment of an ethical and capable state.”

The provincial cabinet has also approved the appointment of Mr. Luyanda Mangquku CA (SA) as the Chairperson of the PARC.

The PARC is now comprised of the following members:

Existing members

- Mr. Simiso Magagula.
- Ms. Bongeka Jojo.
- Dr. Mduduzi Zakwe.
- Mr. Luyanda Mangquku.

Newly appointed members

- Mr. Tebogo Modipane.
- Mr. Zanoxolo Koyana.
- Mr. Ayanda Wakaba.
- Mr. Eugene Jooste.
- Dr. Charls Motau.
