### KZN FINANCE MEC NOMUSA DUBE-NCUBE AND UMKHANYAKUDE DISTRICT MAYOR CLLR SIPHILE MDAKA TO DONATE SCHOOL UNIFORM TO 450 PUPILS

KwaZulu-Natal Finance MEC Nomusa Dube-Ncube will, on Tuesday 12 April 2022, bring a smile to 450 school children from destitute homes by donating a variety of school uniforms as part of Provincial Treasury's outreach programme.

Dube-Ncube will be joined by uMkhanyakude District Municipality Mayor Cllr Siphile Mdaka who is championing the cause on a District level.

The children come from three different schools around Hluhluwe and they comprise of Macabuzela Primary School, Hluhluwe Primary School and Khowe Primary School which are all previously disadvantaged schools.

“The Government of KwaZulu-Natal has placed as top priority the life and education of an African child. Apart from the National School Nutrition Programme which assists us in nurturing and nourishing our school children, having a proper uniform gives the child confidence and restores their dignity thus translating to better performance. This is our way, small as it is, to restore that dignity to a child,” said Dube-Ncube.
