MAPPING ETHIOPIA'S MINERAL WEALTH

ETHIOPIA'S HON.CONCONSULATE

- Mining Diplomacy promotes Women and Democracy and Investment through bilateral relations in South Africa and across 34 countries
- Is strengthening Africa's mining industry by promoting International partnerships, advocating for gender diversity, and fostering collaboration in mineral processing.

The Government of Ethiopia has set out a clear “Pathway to Prosperity” through its newest Home-Grown Economic Reform Agenda, enabling Ethiopia to reach the status of a middle-income country by 2030 BY REFORMING THE MINING SECTOR.

ECONOMIC & SECTORAL REFORMS

ETHIOPIA-Mining showed promising growth and holds a high growth potential through **Diplomatic & PPP** that will create a sustainable and inclusive mining sector & enhance local community engagement
