3. IMPLEMENTATION

MFMA Circular No. 10 of 2004 lists six (6) key steps in the budget preparation process. Step one in the process is planning which includes the tabling of a Time schedule outlining key deadlines for the budget process to Council as required by Section 21 of the MFMA. Municipalities are reminded that Section 68 of the MFMA requires the Accounting Officer to assist the Mayor in preparing and implementing the budget.

In order to approve a credible budget that is consistent with the municipality's strategy, the municipality's Time schedule outlining key deadlines must contain key processes with realistic deadlines which also comply with the MFMA and related legislation. Annexure A to this Circular is an example of a Time schedule outlining key deadlines as contained in MFMA Circular No. 10. The example contains legislated deadlines which **must** be adhered to, the key processes identified and the legislation from which these processes emanate. Municipalities are reminded that Annexure A contains a minimum amount of information that should be included in the Time schedule outlining key deadlines. Municipalities are encouraged to include the detailed activities and deadlines required to achieve each key process and to highlight the municipal section or official that will drive the achievement of each activity.

In terms of the 2023/24 MTREF Budget process, municipalities are requested to make provision for engagements with Provincial Treasury in their Time schedules outlining key deadlines for the following processes:

1. 2022/23 Mid-year budget and performance assessment (January – February 2023); and
2. 2023/24 Tabled (Draft) Budget Assessments (April – May 2023).

Municipalities are further reminded that a Time schedule outlining key deadlines should include tasks and consultations both internally (within the municipality) and externally (local community and other stakeholders). Furthermore, municipalities with entities must also ensure that the processes and timelines in the budget process plan of each entity supports the achievement of the Time schedule outlining the key deadlines of the parent municipalities.

While the Time schedule outlining the key deadlines should be detailed, MFMA Circular No. 10 encourages municipalities to make public, a simplified version of the schedule to ensure the community is aware of the timelines, processes and opportunities to have input into the budget and Integrated Development Plan (IDP).

COMPLIANCE ASSESSMENTS

Provincial Treasury will conduct a high level assessment of all Time schedules outlining key deadlines submitted by municipalities to determine if they comply with the minimum requirements shown in the attached Annexure A. The feedback on these assessments will only be sent to municipalities where discrepancies are identified. Municipalities are kindly encouraged to consider any feedback from Provincial Treasury in order to improve future Time schedules outlining key deadlines prepared by municipalities.

SUBMISSION REMINDER

You are reminded to table your Time schedule outlining key deadlines for the 2023/24 budget year to Council by **31 August 2022** as required by Section 21(1)(b) of the MFMA.
