PROVINCIAL TREASURY CIRCULAR PT/MF 09 OF 2025/26

ADDITIONAL GUIDANCE FOR THE PREPARATION OF THE 2026/27 MEDIUM TERM REVENUE AND EXPENDITURE FRAMEWORK (MTREF) BUDGET

The objectives of this circular are:

- A. To share with municipalities, the provincial allocations that have been gazetted for the 2026/27 MTREF period;
- B. To highlight a change in the version of the municipal Standard Chart of Accounts (mSCOA) classification framework to be used by municipalities in the preparation of their 2026/27 MTREF Budgets;
- C. To remind municipalities of the criteria for the release of the Equitable share; and
- D. To remind municipalities of the submission requirements of the 2026/27 MTREF Budget Process.

This Circular should be read together with Municipal Finance Management Act, Act No. 56 of 2003 (MFMA) Municipal Budget Circulars No. 132 and 134, as well as Provincial Treasury Circular PT/MF 07 OF 2025/26 on the Preparation, submission and publication of the 2026/27 MTREF Budget.

A. Provincial allocations to municipalities

The 2026/27 Budget for the KZN Province was tabled in the Provincial Legislature on 10 March 2026. Provincial Gazette No. 2892 confirming the provincial allocations to municipalities has been published, and attached is the extract of the gazette (Annexure A - Pages 112 to 132) for use by municipalities in the preparation of their 2026/27 MTREF Budgets **(please note that these figures have already been shared with municipalities by your designated Provincial Treasury Municipal Budget Analyst for inclusion in your 2026/27 (Draft) Budget to be tabled to Council).**

B. Change in the Version of the mSCOA Classification Framework for the Preparation of the 2026/27 MTREF Budgets

National Treasury indicated that *mSCOA version 7.1 will go live from 17 March 2026, whereafter municipalities will be able to upload their Tabled Budget (TABB) data strings for the 2026/27 MTREF on the National Treasury GoMuni Portal.*

After going live on version 7.1 of the chart, all the reports available on the Local Government and Reporting System (LGDRS) will be aligned to mSCOA chart version 7.1. This includes the format of the MFMA Section 71 report for the 2025/26 Adjustments Budget and Quarters 3 and 4 of the 2025/26 financial year.

MFMA Circular No. 132 further indicated that the Municipal Budget and Reporting Regulations (MBRR) Schedules (A to F) and non-financial data string (A1S) are also aligned to version 7.1 of the chart. A **protected** version of the MBRR Schedules for version 7.1 of the chart and Schedule A1 is available on the MFMA Webpage on the link below:

<https://mfma.treasury.gov.za/RegulationsAndGazettes/Municipal%20Budget%20and%20Reporting%20Regulations/>

The reports on the Local Government Database and Reporting System (LGDRS) are populated from financial and non-financial data strings and both the data strings are required for the data to pull through correctly on the reports available on the LGDRS. Municipalities must therefore use the linkages on the National Treasury GoMuni Portal referred to above and not the formulas included in the regulated MBRR Schedules when generating their Schedule A from their financial systems.

In terms of the mSCOA Regulations, municipalities must generate the regulated MBRR schedules to be tabled and adopted by Council directly from their financial systems and not import or capture their schedules in their financial systems at a later stage. This is necessary to ensure that there is 'one version of the truth', namely the data in the financial system is the same as the report tabled and adopted by Council and the information submitted to National Treasury and other stakeholders.

C. Criteria for release of Equitable share

Municipalities are reminded that as per MFMA Circular No. 132:

- The criteria for the release of the Equitable share that was covered in MFMA Circular No. 122 remains relevant and are still applicable for the release of Equitable share instalments in the 2026/27 financial year; and
- Failure to comply with the criteria will result in National Treasury invoking Section 38 of the MFMA which empowers National Treasury to withhold a municipality's Equitable share if the municipality commits a serious or persistent breach of the measures established in terms of Section 216(2) of the Constitution which includes reporting obligations set out in the MFMA and National Treasury requests for information in terms of Section 74 of the MFMA.

D. Budget Submission Process
