PREAMBLE

WHEREAS section 226(2) of the Constitution of the Republic of South Africa, 1996, provides that money may be withdrawn from the Provincial Revenue Fund only in terms of an appropriation by a provincial Act;

BE IT THEREFORE ENACTED by the Provincial Legislature of the Province of KwaZulu-Natal, as follows:—

Interpretation

1. In this Act, unless the context indicates otherwise, a word or expression to which a meaning has been assigned in the KwaZulu-Natal Appropriation Act, 2023 (Act No. 2 of 2023), or the Public Finance Management Act, has the meaning assigned to it in those Acts.

“Act” includes the Schedule;

“conditional grants” means conditional allocations to the province from the national government’s share of revenue raised nationally, which are provided for and whose purpose is specified in the annual Division of Revenue Act referred to in section 214(1)(c) of the Constitution of the Republic of South Africa, 1996;

“current payments” means any payment made by a department classified as or deemed to be a current payment in terms of the *Guidelines for Implementing the Economic Reporting Format* (September 2009), issued by the National Treasury under section 76 of the Public Finance Management Act. The above entails payments made by a provincial department in respect of the operational requirements of that department, and includes, among others, payments for the compensation of employees, goods and services, interest and rental of immovable property, but excludes transfers and subsidies, payments for capital assets, and financial transactions relating to assets and liabilities;

“Financial Management of Parliament and Provincial Legislatures Act” means the Financial Management of Parliament and Provincial Legislatures Act, 2009 (Act No. 10 of 2009);

“payments for capital assets” means any payment made by a department classified as or deemed to be a payment for capital assets in terms of the *Guidelines for Implementing the Economic Reporting Format* (September 2009) and the Asset Management Framework (April 2004, Version 3.3), issued by the National Treasury under section 76 of the Public Finance Management Act. The above entails any payments made by a provincial department for assets that can be used continuously or repeatedly in production for more than one year, and from which future economic benefits or service potential is expected to flow directly to the provincial department making the payment;

“payments for financial assets” means any payment made by a department classified as or deemed to be a payment for financial assets in terms of the *Guidelines for Implementing the Economic Reporting Format* (September 2009), issued by the National Treasury under section 76 of the Public Finance Management Act. The above entails the provision for payments associated with certain purchases of financial assets in order to expense the transactions where the purpose of such a transaction is not market oriented;

“Province” means the province of KwaZulu-Natal established in terms of section 103 of the Constitution of the Republic of South Africa, 1996;

“Provincial Legislature” means the legislature of the Province of KwaZulu-Natal;

“Public Finance Management Act” means the Public Finance Management Act, 1999 (Act No. 1 of 1999); and

“transfers and subsidies” means any payment made by a department classified as or deemed to be a transfer or subsidy payment to provincial business enterprise, public entities

and conditional transfers to municipalities in terms of the *Guidelines for Implementing the Economic Reporting Format* (September 2009), issued by the National Treasury under section 76 of the Public Finance Management Act. The above entails any payments made by a provincial department to another organ of state or any other person in respect of which the provincial department does not receive anything of similar value directly in return. The details of which are contained in the explanatory memorandum to the Bill.
